## LISBON SIGHTSEEING & HISTORY. INTERACTIVE TOUR

Caravel on Wheels has been chosen by many Schools as an Educational Tour in Lisbon. Ideal for **student groups** wanting to **explore history while seeing Lisbon top attractions**. Our videos are shown on the **individual tablets on every seat**. Some are automatically triggered during the tour and others are available for further exploration.

## HISTORICAL VIDEOS ABOUT...

- ☑ **Lisbon in the Roman times** – a 3D reconstruction of the ancient **Olisipo**, where you can see Lisbon Port in the roman times, the Roman circus, the Roman theatre and what remains today of this time in history.
- ☑ **The Muslim Lisbon** – the importance of Mouraria and Alfama old neighbourhoods, Lisbon conquest and the history of Lisbon conquest and the muslim hermitage of St. George Castle (Castelo de São Jorge)
- ☑ **The Age of Discovery** – a theme we delve deeply into as we get closer to the Belem area. From the importance of the Portuguese navigators – true explorers that changed the world map - to the main maritime routes of the Age of Discoveries, there is a lot to learn. The naval construction industry, the way the Discoveries changed world gastronomy and introduced many unknown foods, how the Portuguese influenced the culinary around the world, this is a theme we love. And we will not miss the Belém Tower, The Monument of Discoveries and the Jeronimos Monastery and to learn about Portuguese heroes of the time from Prince Henry the navigator to Vasco da Gama.
- ☑ **Lisbon Great Earthquake of 1755 and the Reconstruction** – understand how Lisbon was completely destroyed 262 years ago and how a new city emerged from the reconstruction that makes Lisbon what it is today.
- ☑ **Aqueduct** – we unveil many secrets of a less known Lisbon and its underground galleries while we learn the history of water supply in Lisbon from the Chafariz do Rato, Mãe de Água and the Patriarcal Reservoir.
- ☑ **Brazil** – the importance of Brazil as a Portuguese colony and its independence
- ☑ **20th Century Lisbon** – The Cristo Rei (Christ King) and the Lisbon Bridge construction. The last royal arrival at Cais das Colunas in Terreiro do Paço – Lisbon biggest square.

And many other stories are told during the tour, from the legend of **St. Anthony**, the famous **Lisbon trams** history, the fire and rebirth of **Chiado**. We will also understand what you can see in **Lisbon museums** such as Museum of São Roque, Museum of Ancient Art, The Coach Museum, the Maritime Museum, Museum of the Combatant, the Orient Museum and also many **Lisbon Churches** such as Lisbon Cathedral (Sé), Basílica of Estrela, São Roque, Santo António, Madalena, São Jerónimo, Nossa Sra. Da Saúde, Conceição Velha, etc.

## CREDIBILITY

With thorough research about Lisbon history we had several partners that made the project possible both providing images and videos and validating historical contents. Among them we are proud to name Museu de Lisboa (Museum of Lisbon), Arquivo Municipal de Lisboa e Videoteca (Lisbon Photo and Video archive), Câmara Municipal de Lisboa (Lisbon City Hall), Direcção Geral do Património Cultural (Manages among others the famous Jerónimos Monastery, the Belém Tower, the National Coach Museum) and many others.

*Caravel on Wheels* is proud to have as partners:

### Company Credibility:

*Caravel on Wheels* is a brand of Eduardo Martins & C. Lda. a company with over 100 years of history with its roots in Chiado, Lisbon and strong family values.

We have a EU Community licence to transport passengers by coach/bus, we have a special permit from Lisbon City Hall (Câmara Municipal de Lisboa) to do an historical route in Lisbon, we are registered members of the Portuguese Tourism Board (Turismo de Portugal) as a tour activity operator and we are members of the Lisbon Touristic Association (ATL – Associação de Turismo de Lisboa)
